

📣 📣 CALLING ALL 📣 📣 MARY L. NEAL SCHOLARSHIP RECIPIENTS!

Scholarship Alumni Fundraising Campaign

Goal: Provide scholarships for the next generation of scholars

For over 50 years, the Gethsemane Woman's Auxiliary has empowered Gethsemane Youth to pursue their dreams through education by way of providing support through the Mary L. Neal Scholarship. Over the past few years, through prayer, we have awarded per recipient \$500 to \$1,000 scholarships to high school seniors (depending on the number of recipients), and we want to continue this tradition.

We need your help and we invite **YOU**—our past beneficiary—to give back and ensure that future students receive the same support that helped you succeed! ***Plus we want an update on what you are doing since graduation!***
